Those who do not know what they want will find something here to please them.

So long as there is no one else to do it for us we ourselves must say that our line of Fall Dress Materials is absolutely magnificent.

There are plain cloths, novelty cloths, materials for street wear, for cycling, for everything that a woman wants.

As to the price part, we can explain that best by offering to-day 100 pieces of ILLUMINATED PURE WOOL CHEVIOTS in very fine color effects, without any exaggeration worth 75c, per yard: for but 44c.
